PLEASE NOTE, THIS WARRANTY POLICY IS LIMITED TO THE QUEEN SOLAR PRODUCTS RANGE ONLY. WHERE ANCILLIARY PARTS OR ADD-ON DEVICES SUPPLIED BY QUEEN SOLAR WITH A QUEEN SOLAR PRODUCTS PLEASE REFER TO THE TERMS OF THE WARRANTY PROVIDED BY THE RELEVANT MANUFACTURER.

The warranty period commences from the date on which

- (i) 3 months after dispatch of the Covered Product from factory, or
- (ii) the product is commissioned by the installer or customer’s agent.

An extended warranty period may be available (see Section 3 for information relating to the warranty extension). The warranty effective date refers to the date of invoice commencing, 6 months after the production date or starting from the day of the successful completion of the commissioning, whichever comes earlier. Replacement services apply only to products within their warranty period or extended warranty period, as applicable.

The Warranty is applied to the original Queen Solar product purchaser, and is transferable only if the product remains installed in the original use location. This warranty policy will apply only to products installed by a suitably qualified professional. The warranty policy will be rendered invalid where products are sold second hand through unlicensed sales channels. To transfer the warranty ownership, please contact Queen Solar at sales@queen-solar.com with the authorization email from the previous owner.

Note: If you are a private end-user, please contact your installer in the first instance in case of any warranty issue. Queen Solar will work directly with the installer to replace a faulty product if deemed eligible under the terms of the Replacement Program. The warranty policy outlined in this document represents a product replacement warranty, and does not cover the costs of installation and commissioning. If the original installation company has ceased trading, please contact a suitably qualified installer to arrange an on-site inspection.

2. Warranty Extension

The Queen Solar product range is eligible for a warranty extension (for product only) of 24 months or more. The warranty extension is available for purchase up to 12 months from the commissioning date of the product.

During inspection by Queen Solar, if the allegedly faulty product is found by Queen Solar to be ineligible for replacement under this policy, the installer must provide proof of a valid warranty for the product, a correctly issued, and a valid case number for the product (as provided by the Queen Solar Service Center). In all instances, the installer must send the required items to Queen Solar local warehouse or warehouse of local distributors.

8. Inspection Charge for Products Not Found Defective

If an allegedly faulty Product is returned to Queen Solar pursuant to this Policy, and is found by Queen Solar to be free of defects that would qualify it for replacement under this policy, or due to limited liability as stated in clause 2, Queen Solar reserve the right to apply a flat-rate inspection charge per unit, plus shipping and packaging costs.

9. Product Replacement Procedure

Queen Solar must be provided with the relevant documentation as shown in Section 6. This procedure must be followed for a warranty claim to be applicable under this Replacement Program.

- a) The installer must contact the Queen Solar Service Centre and supply the required information as shown in Section 6. As outlined in Section 8, the installer will liaise with Queen Solar Service Centre to try and find a solution without the need to replace the product.
- b) If the product is deemed faulty and is eligible for the Replacement Program, Queen Solar will raise and create a case number for the product and communicate this with the installer.
- c) Queen Solar will dispatch a replacement product within 3 working days of the case number being created. The product will be shipped to the specified customer or installer location at Queen Solar' cost.
- d) The installer will install the replacement product and use the packaging to repack the faulty product.
- e) For the faulty product that required returned by Queen Solar, Queen Solar will cover the costs of collection and shipment of the faulty product back to Queen Solar as detailed in Section 7, and buyer shall bear any applicable value added tax. The customer or installer must assist with this shipping. If the required faulty product is not returned within 10 working days from receiving the replacement product, Queen Solar reserve the right to invoice the relevant installer/distributor for the cost of the product.
- f) In Terms of missing defective product that is required return by Queen Solar, Queen Solar reserve the right to invoice the relevant installer/distributor with the value of 80% of FOB price.

10. Consumer Laws

If you acquire the product from an Authorized Reseller, the local Consumer Law applies; the product comes with guarantees that cannot be excluded under Consumer Law. The buyer is entitled to a replacement for a major failure and compensation for any other reasonably foreseeable loss or damage. The buyer also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. The benefits to the consumer given by the warranty are in addition to any other rights and remedies of the consumer under a law in relation to the goods or services to which the warranty relates.
